

Should I Move to Canada?

Comparing Health Care in the
US to Other Countries

Thursday, June 14th, 2018

12:00 PM to 1:00 PM

Registration begins at 11:45 AM

Join Carolyn Cox of Moreton & Company for a luncheon focusing on how United States health care costs differ from other developed countries.

Carolyn will address the following questions:

- How health care costs and outcomes in the United States compare to those of other developed countries
- Factors that cause the spending disparity between the United States and other developed countries
- How the United States compares to other countries with respect to coverage options, population, patterns of health care use, costs, treatment options, and more
