

Wed. Sept. 19<sup>th</sup>, 2018  
9:00 AM to 11:00 AM

Check-in and Breakfast begin at 8:30

Join us in our Denver office for a joint seminar. We'll discuss what you need to know about cannabis in the workplace and how to protect yourself and your employees.

In the second half of the seminar, you'll learn about how healthcare costs and outcomes in the United States compare to other developed nations. We'll also discuss our most recent benchmarking report from our peers across the country.
