

March 27th, 2019

8:30 AM to 10:00 AM

Continental breakfast provided at 8:15

Join Moreton & Company and Workers Compensation Fund on Wednesday, March 27th for a discussion on the importance of fall protection and how to ensure your jobsites and employees are safe. Falls are a serious, but preventable, hazard in the construction industry. This seminar will discuss how you can avoid falls by planning ahead, providing appropriate safety equipment, and training your employees on fall protection.
